

Soleil takes pride in its extensive wine collection, many of which are exclusively handpicked by our sommelier. Since 2018, Soleil has been awarded by Wine Spectator Magazine with an Award of Excellence from which only five restaurants in Malaysia have been recognised.

Our wines by the glass selection showcases wines which are on display and dispensed from our Wine Emotion Dispenser, wine lovers will be spoiled for choice. Our 'Wine Emotion Machines' has been specially imported from Italy wine dispenser allowing great wines to be purchased by the glass. Wines by the glass are available in 2 portions, namely tasting half glass (75ml) or full glass (150ml) portions. Wine lovers will have a unique eclectic flexibility which up until now has not been widely available to them. Thus our 'Wine Emotion Machine' allow our customers to explore a variety of wines from different producers, regions and vintages.

We are proud to announce a new selection of premium wines available with Coravin Model 11. The sommeliers' selection offers 12 premium wines by the glass from some of the most pristine vineyards and makers from the old world. In addition, if you are interested to have your wine paired for our 4 Course Signature Menu, 8 Course Degustation Menu and 10 Courses Chefs Table please inquire with our sommelier and service team.
